FUSION 462

Every now and then, a unique opportunity presents itself that must be experienced to be believed. Fusion 462 is that opportunity...

The convenience of a location that allows a very short walk to many cafes, restaurants, and shopping opportunities... or perhaps a short stroll to the movies from time to time.

Only 8 Apartments are available to the discerning Buyer seeking quality finishing, designer kitchens, spacious living and the convenience of a location not normally available. Enjoy the open plan kitchen, dining and living flowing to your private covered outdoor area.

All Apartments offer 3 Bedrooms (Master Ensuite) and 2 Bathrooms, Stone Tops, Soft Close Cabinetry, Euro Appliances, Air Conditioning, Secure Parking, Lift and Quality Finishes.

Before you make your next property decision, you owe it to yourself to explore the opportunity that is Fusion 462.
